**COMPLAINT**

COMES NOW, SALVADOR SEGOVIA, JR., by and through the undersigned counsel, and files this, his Complaint against Defendant, ALI HAMID CORP., pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

**JURISDICTION**

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendant’s failure to remove physical barriers to access and violations of Title III of the ADA.

**PARTIES**

2. Plaintiff, SALVADOR SEGOVIA, JR. (hereinafter “Plaintiff”) is, and has been at all times relevant to the instant matter, a natural person residing in Houston, Texas (Harris County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in

performing one or more major life activities, including but not limited to: walking and standing.

5. Plaintiff uses a wheelchair for mobility purposes.

6. Plaintiff is also an independent advocate of the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. His motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to create the requisite standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property, including returning to the Property within six months after it is accessible (“Advocacy Purposes”).

7. Defendant, ALI HAMID CORP. (hereinafter “ALI HAMID CORP.”), is a Texas corporation that transacts business in the State of Texas and within this judicial district.

8. Defendant, ALI HAMID CORP., may be properly served with process for service via its Registered Agent, to wit: c/o Afzal Hussain, Registered Agent, 4618 Anice, Houston, TX 77039.

### **FACTUAL ALLEGATIONS**

9. On or about November 28, 2021, Plaintiff was a customer at “Church’s Chicken,” a business located at 21502 Aldine Westfield Road, Humble, TX 77338, referenced herein as “Church’s Chicken”. Attached is a receipt documenting Plaintiff’s purchase. *See* Exhibit 1. Also attached is a photograph documenting Plaintiff’s visit to the Property. *See* Exhibit 2.

10. Defendant, ALI HAMID CORP., is the owner or co-owner of the real property and improvements that Church’s Chicken is situated upon and that is the subject of this action, referenced herein as the “Property.”

11. Plaintiff lives 13 miles from the Property.

12. Given the close vicinity of the Property to Plaintiff's residence, Plaintiff is routinely driving past the Property.

13. Plaintiff's access to the business(es) located 21502 Aldine Westfield Road, Humble, TX 77338, Harris County Property Appraiser's property identification numbers: 1214180010001 ("the Property"), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of his disabilities, and he will be denied and/or limited in the future unless and until Defendant, ALI HAMID CORP., is compelled to remove the physical barriers to access and correct the ADA violations that exist at the Property, including those set forth in this Complaint.

14. Defendant, ALI HAMID CORP., as property owner, is responsible for complying with the ADA for both the exterior portions and interior portions of the Property. Even if there is a lease between Defendant, ALI HAMID CORP. and the tenant allocating responsibilities for ADA compliance within the unit the tenant operates, that lease is only between the property owner and the tenant and does not abrogate the Defendant's independent requirement to comply with the ADA for the entire Property it owns, including the interior portions of the Property which are public accommodations. *See* 28 CFR § 36.201(b).

15. Plaintiff has visited the Property at least once before as a customer and advocate for the disabled. Plaintiff intends on revisiting the Property within six months after the barriers to access detailed in this Complaint are removed and the Property is accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property is made accessible and to maintain standing for this lawsuit for Advocacy Purposes.

16. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer living in the near vicinity as well as for Advocacy Purposes, but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

17. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered the barriers to access the Property that are detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access present at the Property.

18. Although Plaintiff did not personally encounter each and every barrier to access identified in Plaintiff's Complaint, Plaintiff became aware of all identified barriers prior to filing the Complaint and because Plaintiff intends on revisiting the Property as a customer and advocate for the disabled within six months or sooner after the barriers to access are removed, it is likely that despite not actually encountering a particular barrier to access on one visit, Plaintiff may encounter a different barrier to access identified in the complaint in a subsequent visit as, for example, one accessible parking space may not be available and he would need to use an alternative accessible parking space in the future on his subsequent visit. As such, all barriers to access identified in the Complaint must be removed in order to ensure Plaintiff will not be exposed to barriers to access and legally protected injury.

19. Plaintiff's inability to fully access the Property and the stores within in a safe manner and in a manner which inhibits the free and equal enjoyment of the goods and services offered at the Property, both now and into the foreseeable future, constitutes an injury in fact as recognized by Congress and is historically viewed by Federal Courts as an injury in fact.

**COUNT I**  
**VIOLATIONS OF THE ADA AND ADAAG**

20. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

21. Congress found, among other things, that:
- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
  - (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
  - (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
  - (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
  - (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

22. Congress explicitly stated that the purpose of the ADA was to:
- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
  - (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

\* \* \* \* \*

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

23. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

24. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

25. The Property is a public accommodation and service establishment.

26. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

27. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

28. The Property must be, but is not, in compliance with the ADA and ADAAG.

29. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or

accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

30. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

31. Defendant, ALI HAMID CORP., has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

32. Defendant, ALI HAMID CORP., will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, ALI HAMID CORP., is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

33. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing of this Complaint, that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of

the Property include, but are not limited to:

**ACCESSIBLE ELEMENTS:**

- (i) In front of the Shell gas entrance, there are two accessible parking spaces that are missing identification signs in violation of Section 502.6 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to locate an accessible parking space.
- (ii) In front of the Shell gas entrance, the access aisle to the accessible parking spaces is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- (iii) In front of the Shell gas entrance, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- (iv) In front of the Shell gas entrance, the accessible parking spaces are not level due to the presence of an accessible ramp in the accessible parking spaces in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the van may rest upon the ramp and create an unlevel

surface for Plaintiff to exit and enter their vehicle. Moreover, when the vehicle parks in this space, the vehicle blocks the accessible route to the ramp.

- (v) In front of the Shell gas entrance, the accessible curb ramp is improperly protruding into the accessible parking spaces in violation of Section 406.5 of the 2010 ADAAG Standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.
- (vi) In front of the Shell gas entrance, the accessible parking spaces have a slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as Plaintiff's wheelchair may roll down the slope while entering or exiting the vehicle.
- (vii) In front of the Shell Gas entrance, the Property has an accessible ramp leading from the accessible parking space to the accessible entrances with a slope exceeding 1:12 in violation of Section 405.2 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because when ramps are too steep (more than 1:12) it requires too much physical arm strain to wheel up the ramp and increases the likelihood of the wheelchair falling backwards and Plaintiff being injured.
- (viii) In front of the entrance to Church's Chicken, the accessible parking space that is missing an identification sign in violation of Section 502.6 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to locate an accessible parking space.

- (ix) In front of the entrance to Church's Chicken, the access aisle to the accessible parking space has a vertical rise in excess of ¼ inch in violation of section 502.4 of the 2010 ADAAG standards.
- (x) In front of the entrance to Church's Chicken, the accessible parking space is not an accessible route in violation of section 208.3.1 of the 2010 ADAAG standards. Due to the configuration of the accessible parking space and the adjacent accessible ramp, when a vehicle parks in the accessible parking space, the vehicle itself blocks the accessible route to the accessible ramp, thus preventing a disabled individual from utilizing the accessible ramp.
- (xi) In front of Church's Chicken, the accessible ramp lacks edge protection in violation of section 405.9 of the 2010 ADAAG standards. This barrier to access could cause Plaintiff to fall off the edge of the ramp and get injured.
- (xii) In front of Church's Chicken, the accessible ramp has a vertical rise in excess of ¼ inch in violation of section 405.4 of the 2010 ADAAG standards. This barrier to access increases the difficulty of Plaintiff to attempt to utilize this ramp as the wheel of the wheelchair could get snagged on the vertical rise and since this vertical rise is on a ramp which is already on a sloped surface, it causes an increase risk of Plaintiff tipping over in the wheelchair.
- (xiii) Due to columns and the placement of propane gas dispensers, there are publicly accessible exterior areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This barrier to access would

make it difficult for Plaintiff to access the rest of the units of the Property as Plaintiff's wheelchair would not be able to get past this barrier.

- (xiv) Due to the barrier to access identified in (xii) above, the Property lacks an accessible route connecting accessible facilities, accessible elements and/or accessible spaces of the Property in violation of Section 206.2.2 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access public features of the Property.
- (xv) Inside the Shell gas station store, the interior has walking surfaces lacking a 36 (thirty-six) inch clear width, due to a policy of maximizing the number of items for sale and thus placing them in the accessible route, in violation of Section 403.5.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to properly utilize public features at the Property.
- (xvi) Inside the Shell gas station store, there is insufficient clear floor space for the ATM in violation of Section 707.2 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to utilize publicly available features of the Property.
- (xvii) Inside the Shell gas station store, the vertical reach to the self-serve frozen drink dispensers exceeds the maximum allowable height of 48 (forty-eight) inches above the finish floor or ground in violation of Section 308.3.1 of the ADAAG standards. This violation would make it difficult for Plaintiff to reach the actionable mechanism of the drink dispenser due to the fact individuals in wheelchairs are seated and have lower reach ranges than individuals who stand.

- (xviii) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

### **CHURCH'S CHICKEN RESTROOMS**

- (xix) The restroom lacks signage in compliance with Sections 216.8 and 703 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to locate accessible restroom facilities.
- (xx) The door hardware providing access to the restrooms requires tight grasping and twisting of the wrist in violation of Section 404.2.7 of the 2010 ADAAG standards. This would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.
- (xxi) The lavatories and/or sinks in the restrooms have exposed pipes and surfaces and are not insulated or configured to protect against contact in violation of Section 606.5 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely utilize the sink as the pipes underneath the sink typically have sharp surfaces and/or hot pipes, and since individuals in wheelchairs use a sink while seated, their legs are particularly vulnerable to these threats.
- (xxii) The actionable mechanism of the paper towel dispenser in the restroom is located outside the maximum prescribed vertical reach range of 48 inches above the finished floor as set forth in Section 308.2.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to reach the actionable mechanism of the paper towel dispenser as individuals in wheelchairs are seated and have significantly less reach range than

individuals who stand up.

- (xxiii) The restroom door requires an opening force in excess of 5lbs (five pounds) in violation of Section 309.4 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.

#### **SHELL GAS STATION RESTROOMS**

- (xxiv) The door hardware providing access to the restrooms requires tight grasping and twisting of the wrist in violation of Section 404.2.7 of the 2010 ADAAG standards. This would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.
- (xxv) Restrooms have a vanity sink with inadequate knee and toe clearance in violation of Section 306 of the 2010 ADAAG standards. This would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom sink as Plaintiff is seated in a wheelchair and, when seated, Plaintiff's feet and legs protrude out in front. In order to properly utilize a sink, Plaintiff's legs must be able to be underneath the surface of the sink, but due to the improper configuration of the sink, there is no room underneath for Plaintiff's legs and feet.
- (xxvi) The door of the restroom lacks a proper minimum maneuvering clearance, due to the proximity of the door hardware to the adjacent sink, in violation of Section 404.2.4 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

34. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

35. Plaintiff requires an inspection of the Property in order to determine all of the

discriminatory conditions present at the Property in violation of the ADA.

36. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

37. All of the violations alleged herein are readily achievable to modify to the Property into compliance with the ADA.

38. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

39. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, ALI HAMID CORP., has the financial resources to make the necessary modifications. According to the Property Appraiser, the collective Appraised value of the Property is \$1,928,925.00.

40. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction from the IRS for spending money on accessibility modifications.

41. Upon information and good faith belief, the Property has been altered since 2010.

42. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

43. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant,

ALI HAMID CORP., is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

44. Plaintiff's requested relief serves the public interest.

45. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, ALI HAMID CORP.

46. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, ALI HAMID CORP., pursuant to 42 U.S.C. §§ 12188 and 12205.

47. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, ALI HAMID CORP., to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, ALI HAMID CORP., in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant, ALI HAMID CORP., from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, ALI HAMID CORP., to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and

- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
